

Refer to video *Masking 101*  
for a masking demonstration.

Stars and star reflections are  
"flicked" on with a Palette Knife

Once dry, remove any stars that are  
too large or misshapen.

**MASK CRESCENT MOON  
& CRESCENT MOON REFLECTION**

Once dry, make sure to remove any stars  
that are inside the moon's circle  
(and its reflection).

**SUPPLIES:**
